# Saving Grace Retreat

## Discussion Questions:

### 1. Worldview Check

- After the lecture, how has my perspective changed regarding the ways unbiblical worldviews influence me?
- How has my understanding of freedom and responsibility changed from a biblical perspective?

### 2. Mirror Image – Identity

- What am I reflecting to the world?
- How am I displaying God's image in my daily life?

### 3. How Should I Live?

- Write down your daily schedule. Compare the time you spend on media with the time you spend in God's Word and in prayer.
- What habits keep me Spirit-filled—or prevent me from being Spirit-filled?

### 4. Today's Commitment

- What do I need to surrender to God?
- What one decision will I make before Him today?
